RE: RE-OPENING THE UNIVERSITY

In view of the current COVID-19 situation in the country, the University may not re-open on 20th April 2020 as previously communicated to the class reps for Semesters 2, 4 and 7.

Management would like to apologise for this postponement due to circumstances beyond our control as we await the announcement on the re-opening of the schools in reference to the "Joint Education COVID-19 Response Closure of Basic, Tertiary and Higher Education Institutions Nationwide" dated 19 March 2020.

Therefore, until further notice on the official re-opening date of the University, please stay safe!

Thank you for your unwavering and usual cooperation.
